REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to disclose a memory device comprising a programmable link with regard to its state of conduction by an energy pulse, a drive circuit having an input side with an activation input and an output providing the energy pulse, the drive circuit coupled to the programmable link in a manner dependent on signals present on the input side, and a shift register having one register cell for storing an activation signal, the shift register coupled to the activation input of the drive circuit for activating the drive circuit in a manner dependent on a memory content of the register cell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to son t dinh whose telephone number is 703-308-4120. The examiner can normally be reached on 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Elms can be reached on 703-308-2816. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
